SEND Drop-In

Wednesday 25th November, 9am

Our SEND team will be on hand to provide a listening ear as well as advice and support regarding all aspects on special educational needs.

WE ARE A NUT FREE SCHOOL
Please do not send your child in with nuts or any nut products.

PARENTS EVENING

On Wednesday 25th November, parent consultations are taking place for **RMR and 5CN ONLY**
Please enter through the School Office and wait in the Dining Hall for 5CN or the Reception activity area for RMR.

YEAR 6 OPEN LESSONS

Year 6 Open Lessons are taking place this week. **All sessions start at 9.30am and run for one hour for both 6CP and 6RJ.** Please arrive at the School Office to sign in just before 9:30. Please be reminded we can only accommodate one parent per child.

YEAR 4 ROMAN DAY

Just a reminder that next Tuesday 1st December is Year 4 Roman Day. Children are encouraged to come to school dressed a Roman to really get in to the spirit of the day!

HOME PACKED LUNCHES

Could we kindly ask that parents reduce the number of sweet treats and sugary snacks included in their child's home packed lunch. We have seen a massive increase and would like to see a change to some healthier options. This will help children develop positive eating habits, provide sustained energy throughout the day and promote a balanced approach to food. Many thanks for your support.

CHRISTMAS HAMPER RAFFLE

Christmas Hamper raffle tickets are available though your Arbor account under the School Shop; or alternatively at the school office.

CHILDREN IN NEED

A big thank you to everyone who donated to Children in Need. The total amount raised was **£454.52** Thank you for your support!

Safeguarding Information

4 steps to manage children's digital wellbeing

internet matters.org

Get advice to help children develop critical thinking, self control and coping strategies to deal with online risks.

Step 1
Understanding the online risks

Help children get to grips with the types of risks they might be exposed to based on the website, apps and devices they use. For example if they're on social media having a conversation about issues around managing relationship online, cyberbullying and sexting will **help them to know what to look out for** and take appropriate action.

Step 2
Knowing where to go for help

Equip your child with the knowledge of where to get support. Whether it's a helpline like Childline, reporting tools on apps or a supportive network of friends and family, it's important they know that if they can't talk to you about something **there are a number of places that can support them.**

Step 3
Learning from experiences

Encourage children to explore the digital world in an age-appropriate way, so they can learn to **manage challenges** and develop good judgement. It is not possible to teach them self-control, risk management or **how to take advantage of online opportunities** if they are not given the chance to practice online.

Step 4
Recovering from experiences with the right support

Even with the best intentions there may be times that children are affected by something they experience online. **To support them assess the situation and find ways to deal with it together.** Depending on the situation seek advice from specialist organisations or your GP to give them the **best chance to recover and regain their confidence.**

Community Awareness

The Community Awareness group are asking for donations of good quality second hand or unwanted gifts for a Toy Drive for the YMCA. These gifts will be greatly appreciated by children in our community who are less fortunate. Thank you for your support.
